

Amended Visitor Policy Until Further Notice

March 20, 2020

During this respiratory infection season, we are taking the necessary precautions to keep everyone safe at our hospital. For this reason, we are making a few adjustments to our visitor's policy, which are described below:

- **No visitors will be allowed on Main or West Campuses.**
- **No vendors will be permitted in the building.**
- **All outpatients, staff and physicians will have their temperature taken at the main entrance. If someone is found with a temperature of 100.4 or greater, they will not be able to enter the building.**
- **NICU Hours: 10:00 a.m. – 11:00 a.m. Parents Only
4:00 p.m. – 5:00 p.m. Parents Only**

The above is subject to change at any time. Any deviations from policy require a physician's order or administrative approval.

The Delta Regional Medical Center Assessment Center drive thru is available if you feel that you are experiencing respiratory or GI symptoms. The drive thru center is located at 1693 Fairgrounds Road (across from the YMCA) Greenville, Mississippi. Hours of operation are Monday thru Friday, from 7:30 a.m. to 2:30 p.m.
